EnergyQuest

Mike Cochran Senior Associate

Mike Cochran is an economist with over 35 years experience in the energy and resources industries. Mike specialises strategy, market research and logistics focusing on conventional and alternative liquid fuels which includes crude oils, natural gas liquids, petroleum products, biofuels and alternative transport fuels

Mike has been working with EnergyQuest since 2005 and has led work on biofuels and participated in numerous assignments on transport fuel demand, supply and strategy.

Previously Mike held senior commercial and marketing positions with some of the world's largest resource and petroleum organisations, Santos Ltd, Rio Tinto and, BHP.

During 22 years with Santos, Mike was responsible for marketing Santos' petroleum liquids, crude oil, LPG, condensate and naphtha, in international markets. He was also responsible for business improvement initiatives such as splitting condensate/naphtha for the Asian petrochemical and Hong Kong town gas markets and, inland production of diesel fuel.

Mike has a Bachelor's degree in Economics from Sydney University and post graduate Diploma of Oil Supply and Refining (University of Oxford). Mike has presented at numerous national and international forums on biofuels, condensate, naphtha, LPG biofuels.
